## Profile:

I have a passion for IT, always had. I'm switching career right now to be a Front End Developer. I'm always thinking about my future and my passion about technologies made me switch career. I look forward to improve my skills and habilities aswell as my knowledge. I did a 6 month interneship just to get experience as a Front End Developer and right now I'm looking for a opportunity in a company that can help me grow aswell as I want to help the company grow.

---
